

GABA Receptors Targeted Libraries

I would like to offer you [GABA Receptors Targeted Libraries](#) (1210 compounds in total) - special screening collections containing drug-like compounds with predicted GABAA and GABAB receptors modulators (agonists and antagonists). They have been carefully designed with computer modeling techniques.

The libraries provide an excellent basis for drug discovery projects related with GABA receptors. All compounds are in stock and are for prompt delivery, cherry-picking is available.

Thank you for your consideration.

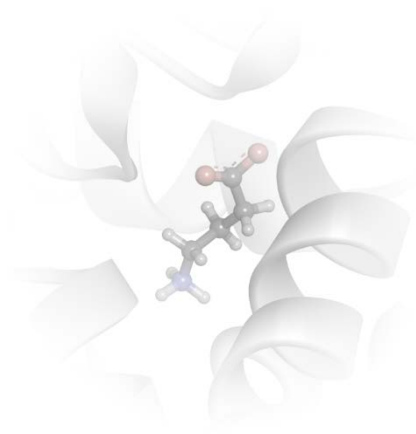

Feel free to contact me if you are interested to obtain these libraries or if you need more information.

I am looking forward to your reply.

Best regards,
