

Selective Androgen Receptor Modulators-Like Library

Screening compounds for drug discovery projects related with ARs

I would like to offer you [Selective Androgen Receptor Modulators-Like Library](#). It is a special screening collection containing drug-like compounds with predicted selective androgen receptor modulator (SARM) activity. The library has been carefully designed with computer modeling techniques - pharmacophore screening combined with QSAR and Bayesian modeling. The library provides an excellent basis for drug discovery projects related with androgen receptors. All compounds are in stock and are for prompt delivery, cherry-picking is available.

Thank you for your consideration.

Feel free to contact me if you are interested to obtain this library or if you need more information.

I am looking forward to your reply.

Best regards,

Andriy Dmytrenko, MBA

Director of Business Development and Marketing
