

Screening Collection from OTAVA 6 000 000 novel tangible compounds

OTAVA offers innovative screening collection comprising 6 000 000 tangible compounds, which are not available from other companies. The compounds ordered from this collection could be individually synthesized and delivered within 4-5 weeks. Our fixed prices would allow you to get new compounds and to stay on budget.

Search compounds on-line on our website:

www.otavachemicals.com/products/search-our-compounds-on-line-by-structure;

Search compounds on-line on our partner's websites:

www.emolecules.com/#?click=screening-compounds (*ONLY in-stock SC*)

or

www.molport.com/shop/find-chemicals

(*please indicate "Screening compounds", "Include Made-to-order"*).

Thank you for your consideration.

Please don't hesitate to contact me if you need ALL structures as sd file or any further information.

Best regards,

Andriy Dmytrenko, MBA

Director of Business Development and Marketing
