

Kallikrein 6 Targeted Library

Screening compounds for drug discovery projects related with KLK6

I would like to offer you Kallikrein 6 (KLK6) Targeted Library (648 compounds in total). It is a special screening collection containing compounds with predicted inhibiting activity against kallikrein 6.

The library has been carefully designed with combination of receptor-based virtual screening methods - pharmacophore modeling and molecular docking. It comprises only in stock drug-like compounds.
